Subject: Underground Storage Tank Closure, Burlington Industries  
- Tucker Street, 2742 Tucker Street, Burlington,  
Alamance County

Dear Mr. Antonowicz:

On September 9, 1991, we received the soil sample results and closure assessment from the underground storage tank (UST) closure at the subject location. As the implementing agency for the Federal Underground Storage Tank Program for the State of North Carolina, we have determined from review of your assessment that the UST system has been closed in accordance with NCAC Title 15A Subchapter 2N Section .0802 and .0803 and 40 CFR 280.71 and 280.72. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact me at the letterhead address or telephone number during the hours of 9:00 a.m. to 10:00 a.m. and 1:30 to 2:30 p.m.

Sincerely,

A handwritten signature in cursive script that reads "W. Waddell Watters".
